Garbage Tote – FAQ

• All residents in the town of Eden will receive two 96 gallon totes, one for garbage and one for recycling. They will have the option to purchase an additional one (cost of additional tote is to be determined).

• Each tote will hold approximately 6-7 regular size garbage bags.

• Each resident is allowed to put out up to 2 totes for garbage per week.

• Recycling will be every other week (schedule will be provided).

• Residents will have the ability to purchase additional lids which will allow the option to substitute extra garbage for recycling, vice versa.

• One bulk item will be allowed per month (schedule will be provided).

• Totes will be delivered the week of 12/18/17 and begin usage after the first of the year.
