The Town of Eden Receives State and National Recognition as a Safe Town

On April 16, 2018, the Safewise Report, an independent review site, released the “100 Safest Cities in America” naming Eden, New York the twenty third safest town in America. The report uses recent FBI crime data to calculate the rate of crimes per 1,000 people in cities and towns reporting very low or no violent crimes (*e.g.*, aggravated assault, murder, rape and robbery).

In addition to this national ranking, the Town of Eden was named the fifth safest town in New York State by Elite Personal Finance, a financial review company that conducts independent reviews. As with Safewise, Elite uses FBI crime data to determine crime rates within each town in New York State. Eden reported zero violent crimes in 2016, and therefore had a crime score of 0.00 for the 2017 and 2018 reports.

Eden, New York is considered a small rural/suburban town with a population of 7,670. Eden is located approximately 18 miles south of Buffalo, New York. On May 9, 2018, the Eden Town Board will recognize the Eden Police Department for their outstanding dedication to the safety of the Town of Eden. The presentation will be held at 7:00 p.m. during the regular town board meeting at the Eden Town Hall.
