

TOWN OF EDEN, NEW YORK ELECTRICAL WORK PERMIT

Due to policy changes with our Electrical Inspectors for the Town of Eden and compliancy with NYS Codes.

Any electrical work done that is not connected to a Building Permit must now have an Electrical Permit. This will begin on May 6, 2019 and the fee for this will be \$50 dollars. Without an Electrical Permit you will not have adequate documentation for an inspection. If you have any questions please contact: Jesse L. Baker, at the Code Enforcement Office – (716) 992-3576

It is required in the Town of Eden to have all electrical work inspected by an approved Electrical Inspector. The following are the approved electrical inspectors:
