

# How Solarize SouthTowns Works

Solarize SouthTowns is designed to save residents and businesses money right away and for years to come.

## Solar is good for your pocketbook, the environment, and our economy.

Solarize SouthTowns makes it easy for residents and businesses looking to go solar to get started. Following these four easy steps, you can get solar panels installed from Solar by CIR at rates up to 20% below the market rate. **Sign-up today to get started!**

### Schedule a free solar evaluation at [SolarizeSouthTowns.com](http://SolarizeSouthTowns.com)

Solarize SouthTowns is working with one local solar company, Solar by CIR, who will come to your house, check out how solar can work for you, and explain how installation works as well as your discounted pricing options.

### Get your discounted price from the installer

After Solar by CIR comes to your home or business, they will give you a quote with reduced pricing options for installation.

**Sign up before September 30, 2019**

### See if Solar-For-All can work for you

Qualified residents can sign up for a no cost subscription to a local community solar array to save an average \$15 a month on your electric bill.

**Find more information at [SolarizeSouthTowns.com](http://SolarizeSouthTowns.com)**

### Start saving on your monthly electric bill

After deciding to go solar, you will start to see the savings on your monthly utility bill for years to come, while contributing to a healthier earth and a greener community.

## Meet our installer

Solarize SouthTowns has thoroughly vetted qualified NY-Sun installers to ensure residents and businesses are provided the best-in-class materials, customer service, and cost savings throughout the Campaign.

**Solar by CIR** was chosen as the designated installer for the Solarize SouthTowns Campaign and will be offering discounted pricing for participating homes and businesses that sign up by September 30th 2019!

Solar by CIR

A multi-community campaign to make solar cheaper and easier for residents and businesses

# The time to go solar is Now!

Solarize SouthTowns can help residents and businesses connect to a local installer and get a discounted price on their solar panels

## What is Solarize SouthTowns?

**Solarize SouthTowns is a multi-community campaign to make solar cheaper & easier for residents and businesses.**

Led by the Green Springville, a local not-for-profit organization, this program helps leverage group purchasing of solar installations **between June 20th and September 30th, 2019.**

Solarize SouthTowns includes 5 communities: **Concord, Colden, Eden, Evans and Sardinia.**

Solarize SouthTowns has vetted and negotiated reduced installation and material costs from a preferred local solar company, Solar by CIR. As a result, if you go solar now, you can save money, reduce your carbon footprint and contribute to a more sustainable lifestyle.

Visit **SolarizeSouthTowns.com** for more information!

NOTE: Residents of the Village of Springville may not be eligible for all Solarize benefits due to the Village's status as a municipal utility. Benefits of Net Metering, Solar-for-All and NYSERDA's Mega-Watt block incentive are not offered to Springville Electric customers.

**Act NOW!** The benefits of Net-Metering and available Tax Credits are changing January 1st, 2020!
