

# TOWN OF EDEN NY – RECYCLING AND REFUSE GUIDELINES

Town of Eden branded 96 Gallon wheeled totes will be used for **both** the collection of trash and recycling. Each tote has a serial number on it, which matches it to the address to which it was assigned. If you move, the totes stay with the property. Additional trash or recycle totes may be purchased at the Town Clerk's Office.

## **Garbage Set-out Limits**

All refuse must be contained inside your 96 Gallon tote. Garbage must be placed within 2 feet of the street curb by 6:30am of your collection day. The trash tote is picked up with an automated truck with a mechanical arm. It will NOT pick up garbage outside the Tote. If your garbage or recycling is not picked up please call the Supervisor's Office at 992-3408.

Bulk pickup occurs on your service day or the day following your service day. **Refrigerators, freezers and air conditioners must have refrigerant (freon) removed by a certified technician and the unit stickered as 'Freon removed' with the doors removed from refrigerators and freezers.**
