Dear Neighbor,

We are writing to raise awareness and gain support from the Eden Community towards the *Eden Hometown Heroes Project*. Our mission is to line the beautiful streets of Eden with banners honoring our residents, past and present, who have served in our military. Below is a picture of the banner. The project would include all branches of the military.

The new banners will be displayed along Main Street and if the program expands we will extend to East/West Church Street. We will be spreading the banners over 30-40 light poles and they will line towards the sidewalk. The banners will be displayed from April through Veteran's Day. Once the banners are removed, they will be given to the families.

Projects such as these cannot exist without their community's support. We are asking for assistance in honoring our local veterans. We are very grateful to have already received a generous donation of \$3,000.00 from the Captain John J. Levulis Memorial Foundation to allow us to get the project off the ground. Each banner will cost \$125.00. We are hoping to begin our project with 30-40 banners. The initial investment for the brackets and poles to hang the banners will be around \$2,000.00. Any donation that can be made to the project's initial and on-going cost will be greatly appreciated.

In order to raise awareness about the project we will be supplying information at our annual Eden Corn Festival, placing ads and of course sending this letter to our local businesses and organizations. It is our hope to display our first class of banners this coming April 2019 and have a reveal ceremony this November at the 2018 Veteran's Day ceremony at Newell-Faulkner American Legion Post 880.

The Village of Hamburg has had great success with its Hometown Heroes Project. We truly feel that Eden's Veterans deserve the same respect in their hometown. Please join us in this honorable project for the Town of Eden. We appreciate any consideration towards a donation that can be given at this time. Donations given will be recognized annually.

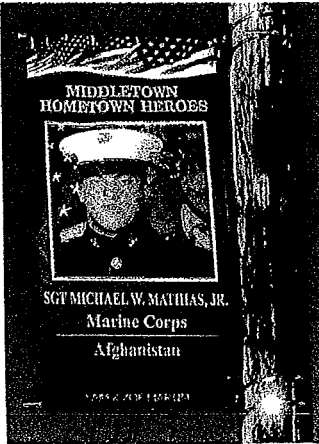

Any questions, please contact Karen Ferguson at 870-2857 or email at kjferg@roadrunner.com.

For donations, please make checks payable to Newell-Faulkner Post 880 and earmark in the Memo Eden Hometown Heroes Project and send to:
