

Keep your land in farming and get paid to do it!

NYS has grant money available right now to protect farmland in Western New York. Through this program, you may be able to protect your land and make sure it stays a farm forever through the purchase of a conservation easement.

The Western New York Land Conservancy is a local nonprofit that can help you apply for this funding. To learn more, contact Farmland Protection Specialist, Rachel Chrostowski at (716) 222-2748 or rachelc@wnylc.org

*This funding is only available for a limited time,
so contact us today!*
