9733 Gowanda State Road – Site Plan Approval

The applicant provided the Board with an updated site plan, noting the changes of black fencing and clearly stated that the temporary driveway will be removed.

There were no additional questions or comments regarding the site plan.

Mr. Romanowski made a motion to approve the site plan for construction of a new substation at 9733 Gowanda State Road; seconded by Ms. Schmitt-Ruof. Ayes: All; Opposed: None; Abstain: None. Motion approved.

Mr. Buchanan made a motion to adjourn the meeting, seconded by Ms. Schmitt-Ruof. Ayes: All; Opposed: None; Abstain: None. Meeting adjourned.

When reviewing the site plan, it was discovered that the black fencing was not actually called out on the plan. A full set of corrected plans will be required prior to issuance of the building permit.

Respectfully submitted,
Shelly Grieble, Secretary
